New Delhi, India

SUMMARY

- AI/ML enthusiast with experience in Deep Learning, Computer Vision, and Generative AI.
- Skilled in Cloud Platforms, Docker, Kubernetes, and DevOps automation.
- Passionate about building scalable AI systems and automation-driven infrastructure.

EDUCATION

Course	Institution	Years	CGPA / GPA
B.Tech (Information Technology)	Netaji Subhas University of Technology	2023–27	6.0 / 10
Intermediate	Govt. Boys Senior Secondary School	2021–23	7.4 / 10
High School	Army Public School, Delhi Cantt	2011–21	7.2 / 10

PROJECTS

Predictive Maintenance System

Technologies: Python, TensorFlow, OpenCV, scikit-learn, Pandas, NumPy, AWS, Docker

- Developed a predictive maintenance system using machine learning to forecast equipment failures.
- Built data preprocessing pipelines including anomaly detection and feature engineering.
- Trained classification models achieving over 85% accuracy.
- Deployed models using Docker and integrated cloud monitoring dashboards.
- Reduced unexpected machine breakdowns by 40%.

Multi-Modal AI Assistant

Technologies: Python, Flask, NLP, Computer Vision

- Built a full-stack AI assistant capable of chat, document summarization, and image captioning.
- Developed Flask backend with intent classification for request routing.
- Integrated NLP models and BLIP vision-language model.
- Implemented REST APIs with file upload support.
- Built frontend integration using Fetch API.

TECHNICAL SKILLS

Programming: Python, C++, Bash, PHP

Machine Learning: scikit-learn, TensorFlow, NumPy, Pandas

Generative AI & NLP: Transformers, GPT, BERT, HuggingFace, Prompt Engineering

Computer Vision: OpenCV, image classification, object detection, segmentation

DevOps: Docker, Kubernetes, Jenkins, Ansible

Cloud & Databases: AWS, MySQL, MongoDB, PostgreSQL

Backend Development: Flask, Django, REST APIs, JSON, Authentication

Development Practices: Agile, TDD, Git

CERTIFICATIONS

- Machine Learning Certification – Euron
- Deep Learning Certification – Euron
- Computer Vision Certification – Euron
- Generative AI Certification – Euron
- DevOps Foundation – Microsoft

LANGUAGES

- English – Professional Proficiency
- Hindi – Native
